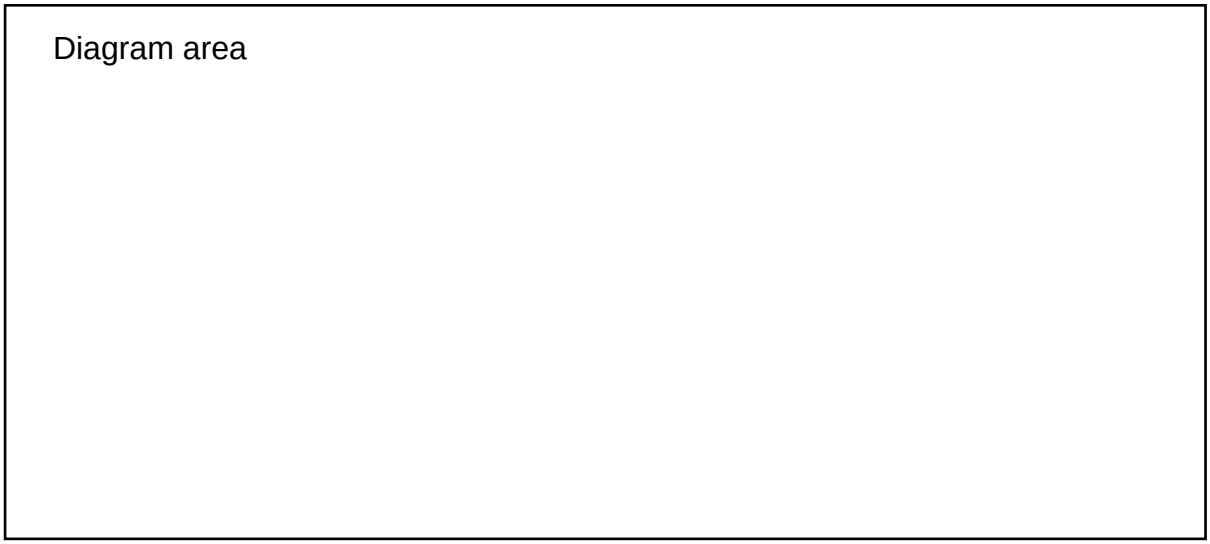
Chapter 1: Waves

A wave transfers energy without transferring matter.

Frequency f and wavelength lambda: v = f * lambda.

Page 1 unique marker PAGE1MARK

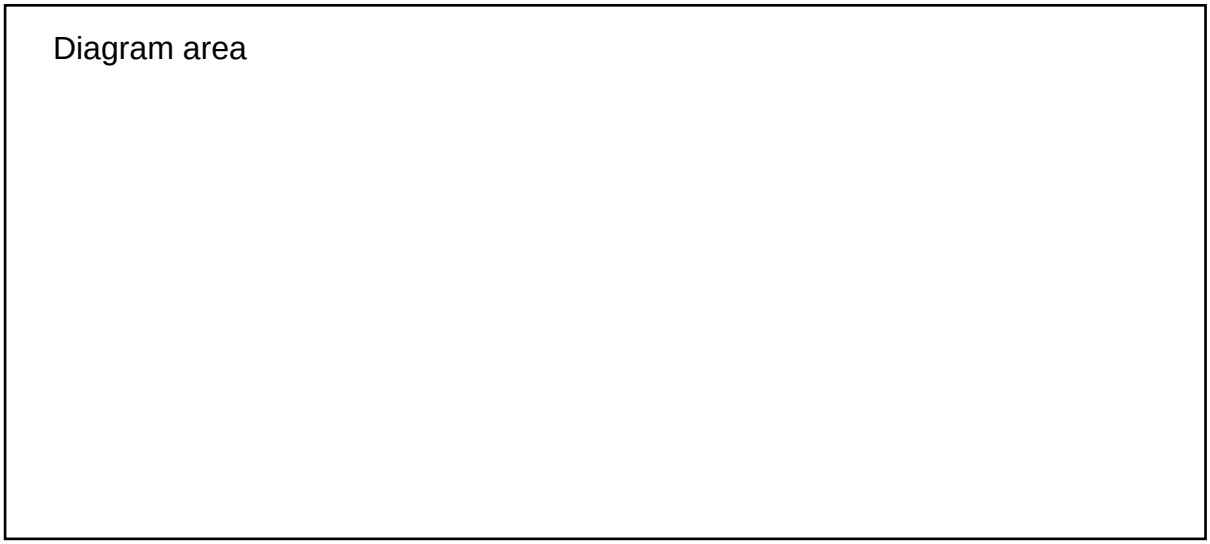


Chapter 2: Waves

A wave transfers energy without transferring matter.

Frequency f and wavelength lambda: v = f * lambda.

Page 2 unique marker PAGE2MARK



Chapter 3: Waves

A wave transfers energy without transferring matter.

Frequency f and wavelength lambda: v = f * lambda.
